## WEEK 2

---

### **Core Idea: I belong in this family**

Week 2 of our follow series is about being part of a family and that we also part of the body of Christ. Just as the body works together, every single part has an important task to perform and all of us together, form the body of Christ.

The Core Verse is in 1 Cor 12:27 - All of you together, form the body of Christ, and you are all a part of this body.

The aim of the lesson is that kids may know that they are all part of the body of Christ.

The church family and everyone who followed Jesus, is His body on the earth and work together for His Kingdom. Everyone has gifts and talents that they received from God, and He wants them to use it accordingly. That means that everyone is important to Him and that He wants us to work together to build His Kingdom.

May you experience how each one of you, are important in your family and you are also just as important for the Kingdom of God.

# FAMILY TIME!

---

## Activity: Spin the spoon with a blessing

### Materials :

Sit around the table as a family and place a spoon (upside-down) in the middle of the table or use a “twister” board turner.

Talk about everyone’s place in the family and how God placed each one in the family to love and appreciate each other.

Let the eldest child turn the spoon or twister board. When the spoon’s handle/twister board stops turning and points at someone, everyone has a chance to say something good about that person and the good that you see in him/her.

When everyone had a turn to say something, the second eldest can turn the spoon. Everyone will have a chance to say something good about that next person, when it points to someone else. Carry on until everyone had a chance to turn the spoon and everyone had received words of appreciation.

Just like everyone is part of a family, Jesus wants us to know that they are part of His family and also part of His Body. Everyone is important.

---

## TALK ABOUT IT

---

### Questions:

Talk about how it would be if someone was not in the family. (think about what everyone does in the family, for example. Mom or Dad make food and kids help to clean).

- Talk about how everyone has a part to play and tasks to do in the family and that everyone has a special task within the Body of Christ.
- How can you as a family become more involved in the Body of Christ?

### Family Prayer Time:

Pray a blessing over everyone in the family.
