

LOVE SERIES - WEEK 4

FAMILY TIME

WHAT WILL I HELP MY CHILD DISCOVERY TODAY?

When we show love we should do it like Jesus taught us. Jesus give His love to us for free and His love will never run out. That is how we should also show love: free and without limits.

JOHN13:34 NLT

A new command I give you: Love one another. As I have loved you, so you must love one another.

TALK TOGETHER - PART 1

To love someone like Jesus means that the way you THINK and TALK about that person is full of love and goodness. Everything that you do, should be in LOVE.

DO TOGETHER:

ITEMS NEEDED

- Cleaning sponge with a hard side and a soft side.

INSTRUCTIONS:

- Ask every person in the family to rub both sides of the sponge on the top of their hand.
- Then ask the question: How did that feel?

This sponge helps us understand how we should work with God's special and valuable people. We can either hurt people and tear them down with the harsh words and actions (coarse side), or we can love people with kind words and actions (soft side).

TALK TOGETHER - PART 2

Discuss the following questions:

- Who do you know that you really do not like?
- When you talk to this person, do you use harsh words or kind words?
- What can you do different this week to show this person love, the same way Jesus showed you?
